Student of the Month

Ethan

Ethan is a very dedicated kindergarten student at Utah Virtual Academy! He almost never misses class, and he is always happy and ready to learn. Ethan and his learning coach have been working very hard on letter names and sounds. At the beginning of the year he knew very few letter names and no letter sounds, but last month he knew most of them! Ethan is a hard worker and loves to learn. We are very proud of him and all of the things he has learned!
