Ruby

Ruby is such a treat to have in my classroom. Her enthusiasm and excitement for learning at school is absolutely contagious. She comes to live class each day with a smile on her face and is anxious to learn. Even though she's the highest reader in my class, she comes to my reading classes each time excited to do the activities and never gets tired. I adore having students like Ruby in my class, I hope she stays so happy and enthusiastic for all her teachers!
